HOW TO PUT PERIO INTO PRACTICE

GET THE ENTIRE TEAM ON THE SAME PAGE

A Perio Program that Works!

Presented by: Charles Blair, D. D. S.

Dr. Charles Blair & Associates, Inc. • 547 Highland Street, Mount Holly, NC 28120 • 866.858.7596 • 704.822.3142 (F)

A Team Approach...

Date: Friday, September 17, 2010

Time: Check-In: 8:00-8:30 AM;
Continental Breakfast will be Provided
Program: 8:30 AM-1:00 PM

Cost * : \$295 first attendee; \$125 thereafter
* The course fee is covered by one perio patient prophylaxis.

Location: Shell Island Resort-Wrightsville Beach, NC
Must be Pre-Registered to Attend

Following the Perio Program:
Lunch-N-Learn for Doctor and Spouse

Time: 1:15-2:45 PM; Lunch Available

Cost: \$49 for both Doctor and Spouse

How to Put Perio into Practice: This program will teach the doctor and staff an approach on how to optimize a perio program. The lack of treatment of periodontal disease by the profession is a National Epidemic, in view of the evolving oral-systemic link. Dental offices do not know how to diagnose, code, or sequence the treatment of periodontal disease. This course will get the office TEAM ON THE SAME PAGE by providing scenarios, scripting, proper coding, ways to work with PPO's, and the proper integration of technology.

Who Should Attend: *Dentists, Dental Staff, Spouses*

Lunch-N-Learn: There's much to learn about the business side of E4D, including: What are the economics and practice management aspects of this technology? Does it make sense and is it a fit for your practice? What technologies go hand-in-hand with Chairside CAD/CAM?

Learn how to evaluate and utilize your Chairside CAD/CAM, and how to make it a success in your practice.

For Doctor and Spouse Only

drcharlesblair
AND ASSOCIATES, INC.

What is one new, properly treated Perio patient worth?

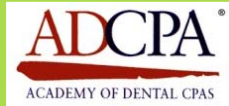

4 Quads SRP (D4341) \$250 X 4 = \$1,000

4 Perio Maint. (D4910) \$135 X 4 = 540

Perio Value of One Patient \$1,540

STOP miscoding and giving Perio away!
